The Nebraska Contractor Registration Act requires contractors and subcontractors doing business in Nebraska to register with the Nebraska Department of Labor. While the registration is a requirement, it does not ensure quality of work or protect against fraud.

All contractors with one or more employees must provide a current Workers' Compensation Certificate of Insurance (ACORD 25) with the Department of Labor listed as the certificate holder. Each contractor is responsible for making sure an updated Certificate of Insurance is on file with the Department of Labor. Any contractor whose records indicate their coverage has expired will be removed from the list of registered contractors until an updated certificate is received from the contractor's insurance agency.

The ACORD 25 certificate can be faxed to 402-471-5039, emailed to ndol.contractorregistration@nebraska.gov or mailed to Nebraska Department of Labor, Labor Standards, 550 S. 16th Street, Lincoln, NE 68509.
