

CONCUSSION DISCUSSION 2017

All children are susceptible to concussions. It is important to understand the basics of this type of brain injury, including what to watch for, signs and symptoms and how to manage a child who has a concussion. Learn how to keep our children healthy and active.

Tuesday, June 13

Hastings

**Good Samaritan Society Hastings Village
900 East E Street**

Event is free and open to the public.

6:00-7:30 p.m.
