

Camp, Respite and Recreation

Easterseals Nebraska provides weeklong summer camps, weekend respite camps and day events that offer the same excitement and challenges of a standard camp, only in a fully accessible setting. Campers gain independence and social interaction skills while participating in a variety of fun, adapted activities, such as: painting, archery, crafts, fishing, dancing, swimming or horseback riding.

Our Camp, Respite and Recreation programming is specially designed to serve individuals of all abilities across the lifespan.
